

## Adam's Adventures!

Kids want to have fun and help your parents win free cheddar?

It's easy! Just print, color and cut out our Mascot, Adam and take him on an adventure! We recommend your parents print him on heavy weight paper OR glue him to heavier card stock and then cut him out.

Take pictures of Adam enjoying life, visiting unique locations and maybe even eating his awesome cheddar cheese. Just be sure to ONLY photograph Adam and not you, ok?!

Then your parent can upload Adam's adventure pictures to our Facebook page for a chance to win FREE AWARD-WINNING CHEDDAR! Wow, that's better than a million dollars or a new car, right?

Have fun and please be sure to have your parents read the contest rules on Facebook.
